*The Standard of Quality for Over 100 Years!*

# Wascomat EXSM washer models are engineered for water and energy efficiency, ease of use and service, and built to work for generations.

## Clarus® Control

Fully programmable, menu-driven Clarus® control allows entry and storage of up to 192 custom wash programs. Reads and writes programs on a SmartCard for secure backup (included). Wash programs can be password protected. Secure operating mode prevents unauthorized use. Optional Wash Program Manager software and SmartCard docking unit are used to create wash programs on your PC.

Available on EXSM665c, EXSM680c & EXSM6135c models.

## Selecta20® Control

Preprogrammed with 20 useful wash cycles for either hospitality or healthcare applications to simplify wash formulas with hotel, nursing home and healthcare laundry in mind.

Available on EXSM665s & EXSM680s models only.
